

Colegio Suizo de México, A.C., Campus QUERÉTARO is looking for a
CHEMISTRY TEACHER IN ENGLISH

Grades: High School (IB Programme), ages 16 to 19

Schedule: 12 to 14 hours a week over 3 days

Location: Colegio Suizo de México, Campus QUERÉTARO

Main activities:

Teaching Chemistry in English to our students

Collaboration with other teachers

Requirements:

We are ideally looking for a native English speaker. If not, candidates should have an excellent level of English (C1 or above). The ideal candidate would have experience of teaching students at High School level, hopefully bringing experience of IB teaching and courses, and with a profound level of subject knowledge. We are looking for a candidate who can offer creative and qualified teaching using different didactic and pedagogical methods. Ideal candidates should be able to, and have interest in, working with colleagues and students from different cultures. They should demonstrate good communication skills and excellent initiative, and be able to work well as part of a team.

Conditions

Work contract until July 2023 with the option to extend. Competitive salary and legal benefits.

We look forward to receiving your CV and motivational letter in English: sandra.stauffer@csm.edu.mx y sabine.ramseier@csm.edu.mx
